

# THE HAMMER & PEN CAMPAIGN

Work for the cause, not just the day

*Support Housing Justice  
for All New Yorkers!*

**Dear Governor Paterson,**

I support Habitat for Humanity - New York State. I believe that I can make a difference by lifting a hammer to build homes for families in need.

But I also believe that I have a responsibility to lift a pen—and my voice—to build housing justice for all New Yorkers. I therefore urge you to support the following housing policy that has been endorsed by Habitat-NYS:

- **Support the creation of a *true* Affordable Housing Trust Fund with a dedicated revenue stream. Such a fund will create a permanent vehicle to provide flexible support for affordable housing for years to come while stimulating economic development across the state.**
- **Ensure that the Housing Trust Fund targets low-income New Yorkers who are most in need of affordable housing.**

Thank you,
